

CITY OF FEDERAL DAM LAND-USE PERMIT

FEE SCHEDULE

Land-use permits are required within the city limits of Federal Dam. Permit applications may be obtained through the city clerk. Failure to obtain a permit before construction will result in a fine and possible prosecution.

In addition to the land-use permit issued by the City of Federal Dam, a separate application is required from Cass County for sewer/septic systems. This does not apply to property with Federal Dam Sewer System access. A copy of the plans submitted to Cass County must be submitted to the City of Federal Dam.
